

Horseback Riding Lesson Packages

At River Ranch Educational Charities, we strongly believe that all riders benefit from having a strong foundation with emphasis in Horsemanship. All students will learn the basics of grooming and saddling all the way to advanced riding techniques. Students will work on developing a compassionate attitude towards all animals and further their riding ability every lesson. The majority of our students take lessons as a hobby but we can also help prepare you for moving up in the riding world. We offer a variety of options for all of our students ages 5-95 so we are sure to have something that suits you!

Western Lesson Plan

Please ask for our Western Lesson Plan for more detailed information on what you can expect during the course of your package. Remember: the lesson plan is only a guideline as to how each lesson should go. Each student is different and the lessons may need to be spread out over additional packages or a student could possibly advance with fewer lessons. The goal is to acquire a strong foundation with safety as the most important factor. Once the student is able to do everything in their lessons well at each gait, they should move up to their chosen discipline.

Cancellation Policy & Lesson Guidelines:

- Lesson packages of 4 are required to be used within one month of purchase.
- Lesson packages of 8 are required to be used within two months of purchase.
- Lessons must be rescheduled 36 hours in advance of the lesson.
- Lesson make ups must be done within 2 weeks after the cancel.
- Students are expected to show up on time and ready for their lesson.
- Students that are 15 minutes late for a 30 minute lesson with no call will be considered a no show and they will forfeit their lesson for that day. No matter the reason.
- Students that are 30 minutes late for a 60 minute lesson with no call will be considered a no show and they will forfeit their lesson for that day, no matter the reason.
- If the student is late for a lesson for any reason, the student will only receive the remaining time for that lesson. Late arrival will not mean the student gets to skip any part of the original lesson plan.
- Lessons can only be booked 4 weeks in advance. It is the student's responsibility to schedule the remaining lessons.
- We recommend that students book all 4 lessons when they purchase them to ensure they receive a spot every week.
